

Disc Golf

Off The Chains Disc Golf is a light-hearted disc golf simulation. Start your disc golfing adventure learning how to play with the friendly AI-controlled DiscBot!

The best part of disc golf? Playing with your friends of course. Enjoy all playable courses with lobby-based private and public matchmaking. Both experienced disc golfers and newcomers alike will appreciate our realistic disc physics. Each disc has its own rating using a 4-number rating system that will be familiar to disc golf enthusiasts, but easy for newcomers to learn.

Throughout the course of the game you will earn Chain Link points to unlock new discs. Customize the collection that you want to take with you on your next round. With multiple beautiful courses with varying biomes you may find yourself stopping to just enjoy the scenery.

This simulation is designed to be relaxing and enjoyable, yet competitive!
